Schools & Colleges

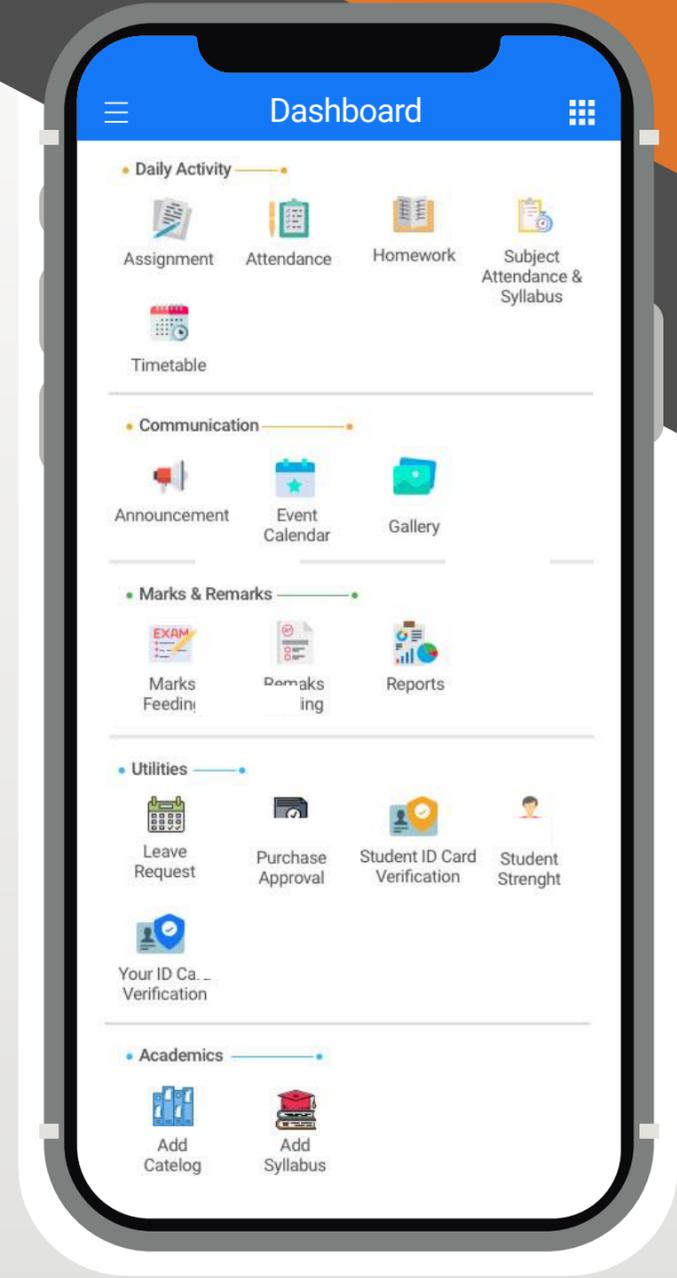

Available on :

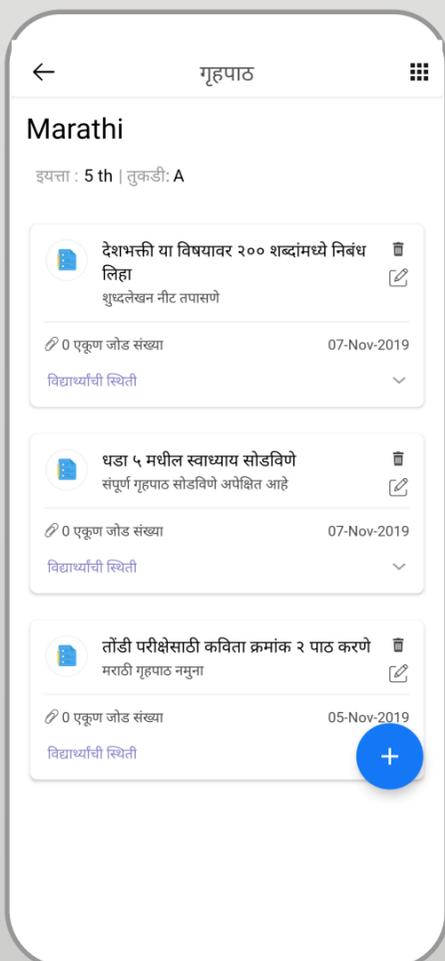

Teacher & Parent/Student communication was never so easy before

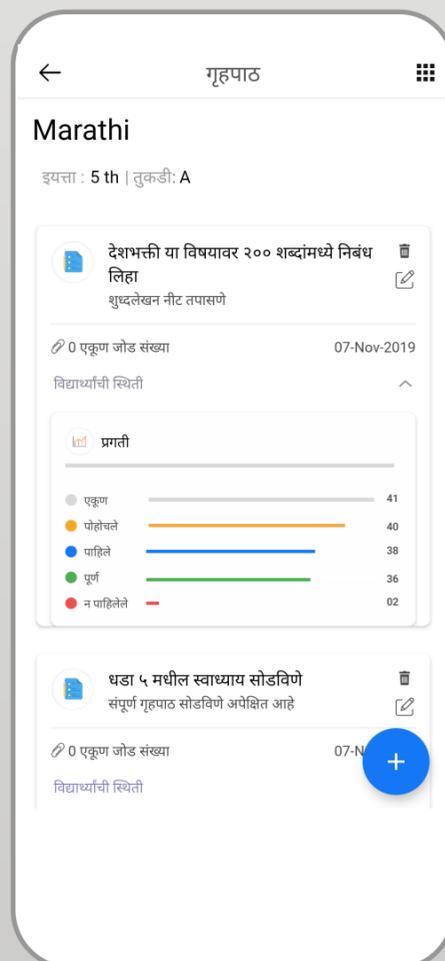

- Teacher can send Homework-Assignment-Announcement and can track the delivery status.
- Teacher can set the event and send the photos-videos to parents individually.
- Only Teacher can communicate with parent not vice-versa, work only in school time. No annoying messages and notifications. Your privacy is our main concern.
- Attendance marking and reporting is just a 10 sec work
- Choose your language, we have any language support.
